Socks:

- Men: Long black dress socks
- Ladies: Panty hose/stockings (natural skin color) or trouser socks (black or skin color): These will help keep students from getting blisters on their heels and help keep shoes from smelling too terrible.

Shoes:

MEN'S Shoes: All Southside Tenors & Basses MUST HAVE black, shiny patent-leather (typically "fake"). **Black, shiny patent-leather shoes are available for purchase from OS Choir – Cost: $45.00. Order must be placed with Ms. Peterson no later than September 13**

*__WOMEN'S Shoes:__ All Southside Sopranos & Altos MUST HAVE 1.5" Heel – Black Character shoes! **1.5" Heel – Black character shoes are available for purchase from OS Choir – Cost: $40.00. Order must be placed with Ms. Peterson no later than September 13!**

Hair:

- As a general rule, for the purpose of choir, we try to create a uniform sound and a uniform look. When dressing for a concert, please keep this in mind.
- Our goal is to have the audience listening to the choir and focusing on the music, not looking at us to see who has the "best, exceptional" hairdo.
- Keep your hair simple & natural
- Hair should be "fancy" and up and back, as well as…OUT of your eyes/face (true for men too)
- When we go to contest in the spring, hair must be a color that you could have been born with, at birth (any color is acceptable as long as it is natural)
